KNOW YOUR

[illegible] B [illegible]

At Know Your Rx℠, we're pleased to provide personalized support to help you make the most of your prescription benefit. We work together with your employer and Express Scripts, your pharmacy benefits administrator, to ensure the best possible experience for you and your family. How can our dedicated team of pharmacists help [illegible]?

- Contact us with any questions you may have about your prescriptions, including drug or food interactions, side effects and more.
- Ask us about potential [illegible], including options that may make refilling prescriptions easier and more convenient than ever.

The easy reference table highlights the resources available through your employer's prescription benefit.

C [illegible] K [illegible] ...	C [illegible] ...
Get answers to questions about your pharmacy benefit and/or copayments, as well as address any concerns with new or existing prescriptions, such as potential side effects or interactions.	Order a replacement prescription benefit ID card or set up automatic mail order prescription refills.
Receive expert guidance on cost-saving strategies, including new generic prescription drug options and/or opportunities to make your prescription refills more cost-effective and more convenient.	Access an exclusive online resource featuring detailed information on prescription medications, as well as other health and well-being resources.
